

### Biogas plants covered by the Renewable Energy Sources Act (EEG) and biomethane plants

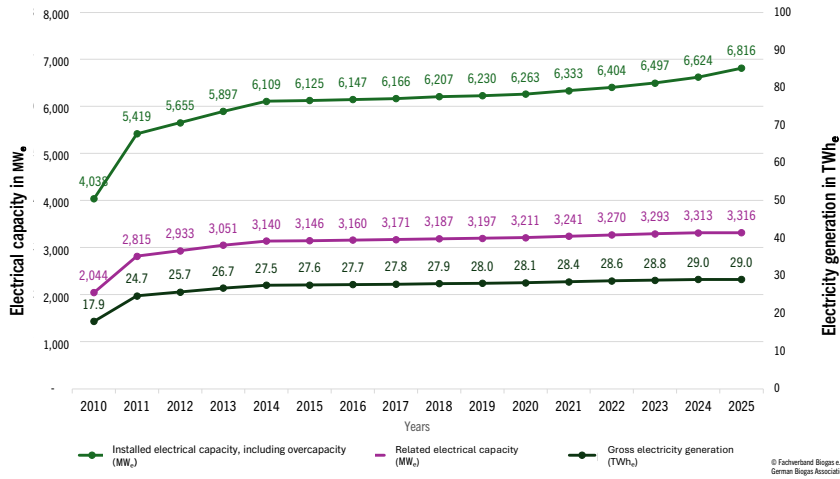

1

### Development of biogas plants (EEG-plants) and electrical capacity

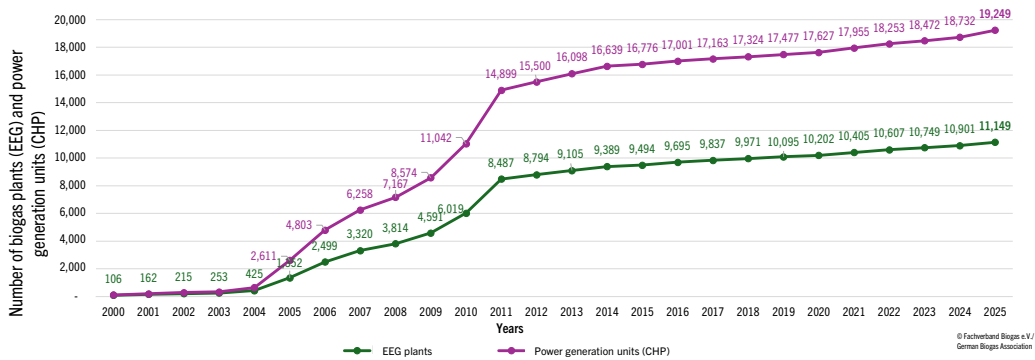

2

### Development of electrical capacity of from biogas plants in Germany in MW<sub>e</sub> (including biomethane CHP units)

3

### Biogas plants (EEG) and power generation units (CHP) according to the Market Master Data Register (MaStR)

4

### Development of biomethane plants and of raw biogas upgrading capacity
